- Guest lectures in areas of expertise.
- Chair MSc and PhD dissertation exam as needed.

**British Columbia Cancer Agency, Vancouver, BC Canada**

*(Bio)Statistician/Data Scientist*

**June, 2013 - June, 2023**

- Design and analysis of clinical trials and retrospective studies using various models from statistics and machine learning.
- Design and implementation of interactive dashboards to serve models for visualizing trends, performance monitoring, predictions, etc.
- Develop and implement state-of-the-art machine learning and statistical models.
- Provide technical expertise regarding data architecture and data standards for the development and maintenance of databases to facilitate reporting and research.
- Coordinate internal and external data requests for planning and research.
- Participate in recruitment, selection, and training of junior data scientists, interns, and summer students.

*Team Lead, Statistics*

**Dec, 2018 - Mar, 2021**

- Lead a team of statisticians and data scientists within cancer surveillance and outcomes, population oncology.
- Provide leadership to team members via technical expertise and the facilitation and demonstration of the principles of team work and collaboration.
- Manage all incoming projects and ensure deliverables by assigning the projects to and coordinating with different team members.

#### HONORS AND AWARDS

Travel award, Privacy Enhancing Technologies Symposium, 2023

Dean of Graduate Studies Convocation Medal, Simon Fraser University, 2023

Early Career Researcher award, International Papillomavirus Conference, 2023

John Jambor Knowledge Fund award, British Columbia Cancer Agency, 2014, 2015, 2017, 2020, 2022, 2023

Travel award, International Society for Bayesian Analysis, 2022

Graduate Fellowship, Simon Fraser University, 2017, 2019

Travel award, NeurIPS 2019

Clark Wilson LLP Graduate Scholarship, 2019

NVIDIA GPU Grant, 2018

Travel award, Simon Fraser University, 2016, 2017, 2018

Alexander Graham Bell Canada Graduate Scholarship (CGS-D), 2018

Helmut & Hugo Eppich Family Grad School award, Simon Fraser University, 2017

Travel award, International Biometrics Conference, 2016
